**Meeting: The Acushnet Historical Commission will hold it's monthly meeting on March 19, 2016 at 9:00 A.M. at Town Hall Meeting Room.**

**Agenda: May I have a motion to call our meeting to order. Motion to accept minutes.**

**Old Business: The Eagle Scout Project for Perry Hill Church must get completed by summer. But the sheet rock cannot be done until the weather is warmer, they need heat in the church. Logan Avellar's mother is here to answer any questions that the commission may have regarding the project. He needs to have a fund raiser so as to purchase the materials and paint that he needs for project.**

**New Business: Scott and the students have been working at the Meetinghouse on the decking. Need the east side to be done and the rear of building before they can spray paint and put up shutters. We have spent quite a bit of money replacing a lot of rotted wood and beams on the meetinghouse.**

**Also the project at Parting Way's building is being discussed with Mass Historical Commission as to what changes if any can be made on the interior of building. Pam Labonte and Kevin Gasper are invited to our meeting to discuss the renovations at Parting Ways.**

**Alan and Jim must take pictures of the Meetinghouse and Parting Ways showing what has been done to satisfy the State. They are both on the National Historic Register.**
