Acushnet Historical Commission
Town Hall

Acushnet, MA 02743

Meeting: The Acushnet Historical Commission will hold it's monthly meeting on June 21st, 2016 at 6:30 pm at Town Hall Meeting Room.

Agenda: May I have a motion to call our meeting to order. Minutes from March & April to be approved.

Old Business: The Eagle Scout Project for Perry Hill Church must get completed by summer. Logan and family have gone in twice to work on the pews. Logan is going to college in September.

New Business: The Agricultural Commission has forwarded the information on scenic roads in Acushnet to the Historical Commission. The Historical Commission or the Conservation Commission are the only boards that can request the scenic roads bylaw for selectmen approval. If approved it will go to Town Meeting in the fall. Merilee is trying to get approval from DPW, and Planning Board before we submit to Selectmen. Conservation is on board for the scenic roads.

The bids for Perry Hill Church to sheetrock came in to high we do not have enough funding to pay for the electrician and the sheetrock. So we will have to go back to CPC in the fall for more funding. The Eagle Scout project is going to have a ham & bean supper on July 9th, at the COA. Logan is going to try and raise extra money for the church. Tickets are \$10.00.

Regarding the marker at the meetinghouse, the society voted to have it placed at the Long Plain Museum. I am passing it on to Bob Hall to get in touch with the DPW to have it moved. We will have to have a sign made once it is moved.

The ceilings at the museum will be done in house. The meetinghouse will get done first.

Anything under new or old business:

Motion to adjourn:
