

TOWN OF ACUSHNET

Acushnet Historical Commission
Town Hall
122 Main Street
Acushnet, MA 02743

Meeting: The Acushnet Historical Commission will hold it's monthly meeting on September 20, 2016 at 6:30 pm at Town Hall Meeting Room.

Agenda: May I have a motion to call our meeting to order. Minutes from May & June to be approved. No meetings in July or August.

Old Business: We need to discuss the situation with the windows at Perry Hill Church. The window on the front on second floor is being fixed for \$200.00 which I will pay him from the Friends of the Perry Hill Church account. He will replace 2 broken glass in the window which I had purchased from the demolition mill down the South End.

I went out to the Perry Hill Church with my neighbor who is a mason. He said right now there are no leaks he said it looks like old stains from before the roof was replaced. But he did say the 2 chimney's on the top of roof may need repointing and he would do it for no cost he just would need a ladder to get up their.

Work is coming along on the meetinghouse they are working on the north side and the east side is almost done. They still have to scrape and paint the building before the shutters can go up. Attach is e-mail from Jim Marot regarding gutters and downspouts at the meetinghouse.

Also I didn't get a response from the board regarding the organ so it was moved to the church and covered up to protect it.

New Business: The Agricultural Commission has forwarded the information on scenic roads in Acushnet to the Historical Commission. The Historical Commission or the Conservation Commission are the only boards that can request the scenic roads bylaw for selectmen approval. If approved it will go to Town Meeting. Merilee is trying to get approval from DPW, and Planning Board before we submit to Selectmen. Conservation is on board for the scenic roads. I made copies for the board to read and discuss if necessary.

I have put a package together for CPC asking for \$15,000 to complete the sheetrock at Perry Hill Church. I would like our commission members to be there that night for the meeting I will need all the help I can get. Their meeting was September 1st at 6:30 pm and they voted to approve our request. Now I believe we have to go before the finance committee and selectmen before Town Meeting.

Anything under new or old business:

Motion to adjourn:
