Agenda Item IV.2 for the December 14, 2021 meeting, at which time the Board voted to approve applicants for annual license approval.

The Agenda for today's meeting as posted, and also made publically available on the Board's website, includes a copy of the complete list of applicants considered and approved for annual licenses during our December 14, 2021 meeting.

The attached list for today's meeting as referenced in this Agenda Item No.1 includes the identities of each applicant and/or the addresses of the locations to be considered, as well as the type of application that was considered and approved by the Board for annual license approval. Please note that the referenced list posted along with today's agenda is identical to the list of applicants referenced in, and considered and approved for annual license approval during, our December 14, 2021 meeting.

Our consideration of this agenda item today will be limited to further discussion of the applications with respect to the Board's ratification of its prior actions as to each of the listed applicants for annual license approval."
