**CONSERVATION COMMISSION AGENDA
PUBLIC HEARING & MEETING**

Notice is hereby given that the Acushnet Conservation Commission will hold a public hearing on Wednesday, January 24, 2024 beginning at 6:00 p.m. in the Police Station Conference Room, located at 64 Middle Road, Acushnet, Massachusetts.

Minutes for Approval: October 25, 2023 & November 8, 2023 review of matters presented; votes may be taken.

Meeting Mail:

Letter received from Andrew Bobola, Building Commissioner, regarding 7 Eileen Street. Review of matters presented; votes may be taken.

Letter received from Susan McArthur, Senior Environmental Scientist, informing the Commission a request for recertification of an existing Section 401 Water Quality Certification regarding the Hamlin St. roadway construction has been submitted. Review of matters presented; votes may be taken.

Old Business:

Continued Public Hearing – NOI – Kenneth & Giselle Camara – 12 Archer’s Way, Map 16, Lot18F SE 001-0590. A Notice of Intent was filed by Kenneth & Giselle Camara for property located at 12 Archer’s Way. The applicant proposes to construct a new garage with covered patio, access driveway and related site work within the 100 ft. buffer zone to a bordering vegetated wetland. The applicant is represented by Rick Charon of Charon Associates, Inc. - Engineers. Plan name is “Plan of Site Improvements & New Garage” dated November 9, 2023. Rick Charon requested a continuance to the February 14th meeting. Review of matters presented; votes may be taken.

New Business:

Amended Order of Conditions – Acushnet Company - 115 Manchester Lane, Map 11, Lot 25C.34 SE 001-0571. A Request for an Amended Order of Conditions was filed by Acushnet Company for property located at 115 Manchester Lane. The applicant is proposing additional work consisting of the installation of utility poles, overhead wires, tree limb trimming and tree removal as necessary to provide three phase power service to the facility within the 100 ft. buffer zone to a bordering vegetated wetland. A small access area to provide the means to install the overhead lines is also proposed -this area is not located in a resource area or buffer zone. The applicant is represented by William Madden of G.A.F. Engineering, Inc. Plan name is “Plan to Accompany Request for Amended Order of Conditions for Installation of 3 Phase Power System” dated January 2, 2024, review of matters presented; votes may be taken.

Stormwater:

Stormwater Issues; review of matters presented; votes may be taken.

Discussion:

Conservation Filing Fees – review of matters presented; votes may be taken.

Agent Updates:

Other Business: Any other business that may properly come before the Commission, not reasonably anticipated when posting 48 hours prior to the meeting.

Future Business: The next meeting of the Conservation Commission will be on February 14, 2024
