

TOWN OF ACUSHNET
Acushnet Historical Commission
Town Hall
122 Main Street
Acushnet, MA 02743

Meeting Tuesday September 14, 2021
6:30 pm
Finance Committee Room

1. Motion to open meeting:
2. We are being audioed and videoed.
3. Motion to accept minutes: From July 13, 2021 Meeting
4. New Business: We had a new sign made for the Meetinghouse. Also had the new doors installed. And the alarm was upgraded. The building has been cleaned out. I still have funds left over from CPC 2 or 3 years ago to install the ramp at the front door. Will try to get another estimate for that.
5. Old Business: I am getting estimates for storm windows for the Museum and the Meetinghouse. I have one estimate for the museum and one for meetinghouse. Town Meeting is going to be January 10, 2022 at 7:00 pm. The windows for the Meetinghouse I have 1 estimate. I would like to vote to have the windows installed with the commission covering the expense. I also have price to replace the fence at the Long Plain Museum with funds from CPC. Vote will be needed. We will try again to install sign on Nyes Lane. Have not been able to connect with owner.
6. Would like to start working on funds for the Perry Hill Church project. Need discussion on projects needed to try to complete this project. Need to get prices for the blueboard and price to have the underneath of church secured. Also estimate for heat and electrical. I still don't think we have to worry about bathrooms because there is no room for a septic system. Mass. Historical has told me that the old buildings like the church don't have a room to put toilets. I think

we can use a port a john. Corner of Perry Hill and Mendell Rd. has the well pump and bench that we are having made new. Hartley Saw Mill donated the board for the bench and Mark Gauvin is going to make the legs and install it. I spoke to Jim Marot who will spray the poison ivy and clean the area out so that we can see the sign and bench with pump.

7. If anyone has a home 100 years old or older may call to have a plaque made for their home. Call the Selectmen's office and leave message for the Commission.
8. Anything under old or new business: Looking for new members for the Historical Commission. Anyone interested please send a letter of interest to the Selectmen.
9. Motion to adjourn: Next Meeting: October 12, 2021

Pauline Teixeira-Chair Acushnet Historical Commission
