 2. **Agenda:** May I have a motion to call our meeting to order. We are being audioed and videoed. I need a motion to approve the minutes for September, 2017
 3. **Lets do roll call before we start our meeting. Our Commission meeting will be on the 3rd Monday of the month.**
 4. **Old Business:** The structural engineer went out to the church and he told me the next step is for him to draw up plans showing what needs to be done. But he needs Funds to complete. I spoke to Jim regarding smoke detectors and he said we don't Need them because we are not using the church. If we put in an alarm than it would be electric smokes and fire alarm tied into fire dept.
 5. **New Business:** I spoke to Mrs. Francis about the interior of church. She remembers the cross, also the chair which she said was 3 of them. Also that pulpit was brought in by another minister not original. She does have old pictures that she will try to go through when she has a chance. The light fixture may be the one that was there but changed from candles to electric.
- John Remedis is trying to set up a car show for next year at the Meetinghouse.**
6. **We will have to have a member appointed to the CPC from the commission.**
 7. **Is their anything under old business and new business?**
