- 1. Meeting to be held at 2nd floor meeting room at 6:30 pm.**
- 2. Motion to open Meeting:**
- 3. Pledge to the Flag:**
- 4. Approve minutes from Meeting: March:**
- 5. New Business: I have gone before CPC about the funds for the fence at Museum and NHR for the Perry Hill Church. They have approved my request now to the selectmen and then Town Meeting on June 3rd.**
- 6. Old Business: Still looking for pictures for the Perry Hill School. doing research on the Acushnet Hospital. Waiting**

to hear back from the daughter that has many pictures of the Hospital and nursing home. No updates on the Library. The selectmen have not decided when it will go on the market. I understand that is in very bad condition inside. The problem is only parking for about 4 cars. It is going to be a very hard sale. With the veterans monument there that will have to be moved. Also the deed restriction on the facard so it cannot be touched.

7. Anything else under old and new business?

8. Next Meeting: May 14, 2024

Commission*
