Lillian B. Garbaciak
Town Clerk

Percentage of votes cast: 67%

REPORT OF THE BOARD OF SELECTMEN

The Town Election in April saw the re-election of Everett L. Hardy, Jr. for his second term. The Board reorganized and Jacqueline S. Brightman was voted as Chairman for 1994-1995.

A good part of 1994, our department heads once again faced budget constraints and yet department heads managed to run their departments with minimal hardships to our townspeople.

1994 has been a very active year for the Board of Selectmen and staff, and much has been accomplished. Our Open Space Plan was accepted by the Department of Environmental Management. This was the equivalent of a \$10,000 study accomplished by a group of dedicated volunteers and assisted by SRPEDD, at no cost to the town. This forward looking plan now allows Acushnet to apply for grants that otherwise could not be applied for.

Our Community Action Statement (CAS) a three year plan of goals and needs for the town was filed first in 1993, and was amended in 1994. Some of the many things accomplished have been a new ambulance, E-911 generator, upgrading security in the Treasurer's Office, better maintenance of records, upgrading our computer system, replacing water main on Nye's Lane, formulation of a Department of Public Works Board and Town Barn Addition.

A Local Partnership Committee was formed which enabled the Town of Acushnet to receive a grant in the amount of \$27,500.00 for planning for future economic development. Part of this process for economic development involved Acushnet joining the Economic Target Area (ETA) with our sister communities. These communities are working with New Bedford to enlarge our share of the labor market and to develop jobs throughout the area.

The Board of Selectmen have been working hand in hand with the Golf Course/Recreation Committee and hopefully we will see some activity in 1995.

Our future efforts regarding PCB's in the harbor led to our appointing a representative in behalf of our town residents. Through his concerted efforts, the health and safety of our residents have been addressed during the dredging process.

In 1994, the Gold Cane was presented by the Board of Selectmen to Elizabeth Thoresz and later to Ralph Rodman for being the oldest residents in Acushnet. Mr. Rodman is 99 years old. We wish him health and happiness for many years to come.

With combined team efforts of town officials and town employees, we will continue to serve our town residents with the best possible service we can in 1995.

Investment Income	50,009.17
Other Departmental Revenue	<u>59,462.64</u>
Total Estimated Receipts	1,103,272.51

The Board of Assessors received approval of valuation in the month of September enabling the Town to have actual tax bills sent, rather than estimated bills.

The value of the Town of Acushnet went up more than six million dollars. This happened due to sales of previous year and also more dwellings being built from subdivisions in town. The tax rate on the other hand has risen due to the amount spent at Town Meeting. The amount spent is allowed to rise 2½% each and every year.

The consultant to the Board of Assessors is continuing to make in-house inspections to update the Assessors' records as required by the Department of Revenue. With this ongoing updating, this Board will be right up to date for the FY 96 valuation approval.

The Board of Assessors are also continuing work on taking new pictures of all houses in town, in order to better identify each property.

Respectfully submitted,

BOARD OF ASSESSORS

Michael Cioper, Chairman
Eugene L. Dabrowski
George H. Perry, Jr.

REPORT OF THE BOARD OF HEALTH

To the Officers and Residents of the Town of Acushnet:

The Board of Health respectfully submits the following report for the year 1994.

The Board reorganized as follows: Chairman, Thomas J. Fortin; Robert Medeiros, Clerk; Gerald Toussaint, Inspector.

HEALTH CARE PROGRAMS

Weekly Blood Pressure Screenings on Wednesdays, from 9:00 A.M. to 10:00 A.M. downstairs Parting Ways Bldg.

Monthly Senior Citizens Health Counseling, Immunization Clinics and Well Baby Clinics are sponsored by the Board of Health.

Well Baby Clinics are held on the first Wednesday of the month five times a year. Clinics are held in the Board of Health Office on the second floor. Office immunizations are given by appointment. Appointments may be made by calling 995-0549.

COMMUNICABLE DISEASES

The following cases of communicable disease were reported to the Board of Health in 1994:

Animal Bites	19
Chicken Pox	26
Salmonella	3
Hepatitis	4
Giardiasis	1
Streptococcus Pneumonia	2

The Board of Health has medical equipment available for the use of residents of the Town of Acushnet such as: wheelchairs, and other miscellaneous items. If you have need for any of these items please call 998-0275.

HORSE CLINIC

Our yearly horse clinic was held on Sunday, June 5, 1994 from 12:00 to 2:00 P.M. Dr. John Sickles was in charge. A special thanks to the Garcia Farm of Wing Lane for allowing us to use the farm for this clinic.

RECYCLING

In 1994 thru the State Recycling Grant Program the Town of Acushnet acquired two roll off containers which are currently being used at the Recycling Center located at the Highway Dept. at 700 Middle Rd. The Board would like to thank all the volunteers and townspeople who participate in the Recycling program at the center.

CURBSIDE RECYCLING

In June the Curbside Recycling Pilot Program began with 600 homes being serviced. At present the program has been expanded to include 1400 homes. The ultimate Board of Health goal is to be able to service the entire town by the end of June of 1995.

A grant from the Dept. of Environmental Protection provided the town with 1000 curbside bins and additional bins were purchased to be able to include all the town. Application has been made to the Department of Environmental Protection for a Recycling Truck. At present there has been no notification regarding the status of the awards.

The Board of Health would like to thank all of the participants in this program for their enthusiastic response thus making it a working program.

RECEIPTS

Permits	\$18,374.50
Mobile Parks	8,026.00
Clinics	<u>1,746.00</u>
Total	\$28,146.50

Respectfully submitted,

Thomas J. Fortin, Chairman
Robert Medeiros
Gerald Toussaint

REPORT OF THE BRISTOL COUNTY MOSQUITO CONTROL

On June 30, 1994 the Bristol County Mosquito Control Project completed thirty-five years of service to the cities and towns of Bristol County.

The mosquito control project works year-round in its efforts to reduce mosquito breeding sites and adult mosquito populations. The Project uses several different measures of control in its never ending fight against mosquitos.

Winter Pre-hatch — To treat breeding areas that are accessible only on the ice during the winter months.

Spring and Summer Larviciding— To reduce the emergence of adult mosquitos in areas where mosquito larvae is present.

Catch Basin Treatment — To stop mosquito emergence from rain-filled catch basins and storm drains.

Light Trapping Program — To monitor mosquito populations as to their type and number — a program necessary in encephalitis surveillance. Light trapping of mosquitos is also useful to determine what areas have high mosquito populations and should be sprayed.

Water Management — A year round endeavor to clean and construct mosquito drainage ditches in lowland swamps to reduce their favorability as breeding sites for mosquito larvae.

It is the policy of the Bristol County Mosquito Control Project to use pesticides that are environmentally safe so that the safety of the people and environment are not jeopardized. We use as many of the biological insecticides as are practical with the environmental conditions present in the New England area. We are presently using three different formulations of B.T.I. in our larviciding program.

All of our spray equipment is calibrated periodically in order to insure that dosage rates remain at safe levels but are adequate to reduce mosquito populations. The operators of our spray equipment are state certified pesticide applicators that are required to attend classes on pesticide safety on a yearly basis.

During the spring of 1994 water levels were about average in most wetland areas. The areas that border large swamps, that hold sufficient water for mosquito breeding even in a dry season, seemed to have large populations of spring brood mosquitos. Calls for service were very high in these areas during the end of May and throughout most of June.

By mid-July calls for service were much lighter as most adult mosquitos had been knocked down due to our spraying program. During late summer

most areas of the county seemed to be relatively free of mosquitos.

The 1994 mosquito season marked the first time since 1981 that there were no EE isolates found during the surveillance period.

The Project answered all requests for spraying along with our regular spraying of known infested areas for a total of 3,600 sprayed acres.

During the spring and summer months a total of 226 catch basins that were found to be breeding were treated and 9.5 acres of breeding wetlands were larvicided.

During the fall and winter months a total of 1,570 feet of brush was cut from ditches and 1,375 feet of drainage ditch was reclaimed. Our crawler tractor also dug 200 feet of drainage ditch.

I would like to thank the town officials and the people of Acushnet for their continued support and cooperation and look forward to serving them in the coming year. Should anyone have a question as to what might be done to relieve a mosquito problem in their area, whether it is water management work, treatment of a breeding site, or just having an area checked, please feel free to call our office.

Respectfully submitted,

Alan W. DeCastro
Superintendent

REPORT OF THE BUILDING COMMISSIONER

To the Officers and Residents of the Town of Acushnet:

The Building Department issued 331 permits for the fiscal year ending June 30, 1994. The Department collected \$23,282.00 in fees; 4,654.40 more than last fiscal year.

DATE	PERMITS	FEES COLLECTED
July	39	\$2,309.25
August	7	2,529.00
September	9	1,071.25
October	6	1,037.00

ANNUAL REPORT

The Community Nurse Association of Fairhaven, Inc. is a private, non profit Visiting Nurse Association that provides home health services to the residents of the Greater New Bedford Area. Last year our staff made over 114,000 visits to homebound patients. The services we offer include Skilled Nursing, Skilled Psychiatric Nursing, Home Health Aide, Physical Therapy, Speech Therapy, Occupational Therapy, and Medical Social Work. We also opened the first Medicare Certified Hospice in the Greater New Bedford Area during the past year. Community Nurse Association of Fairhaven, Inc. continues to provide Home Care services to Acushnet residents. Our Acushnet office is maintained at the Parting Way Building on the second floor.

Our services are covered by medical insurances such as: Medicare, Medicaid, Blue Cross and Pilgrim Health Care. While patient referrals are most often obtained through hospital discharge planners, physicians, and social service agencies, patients and their families generate requests for services as well.

Our public health work provided to Acushnet residents includes Blood Pressure Clinics, held every Wednesday from 9 a.m. to 10 a.m., and includes blood pressure screening and nutrition and health counseling; Immunization clinics are held on Tuesday and Thursday, 3-4 p.m.; Well Child Clinics are five times a year; Communicable Disease Follow-up; Flu clinics, Disease Prevention, and Evaluation Visits are also provided.

Well Baby Clinics held five times a year provide Acushnet children ages birth to the entrance age of kindergarten, with needed immunizations; sick children are referred to their private physicians.

The staff of Community Nurse Association of Fairhaven, Inc. has enjoyed working with the Board of Health and we look forward to the coming year.

Respectfully submitted,

Jane Stankiewicz, R.N., B.S.
Administrator

Normand Laporte, President
Krestina Heaton, Vice President
J. Richard Early, Second Vice President
George Bunnell, Treasurer
Hugh B. Darden, Jr., Assistant Treasurer
Susan Guy, Nursing Supervisor
Thomas Severance, Fiscal Manager

REPORT OF THE COMMUNITY PLANNING COMMISSION

To the Officers and Residents of the Town of Acushnet:

The Community Planning Commission respectfully submits the following report for the calendar year, 1994.

Regular meetings were held on the first Monday of each month at 7:30 P.M. upstairs in the Town Hall. Special meetings and public hearings for proposed by-law and proposed subdivisions were conducted when required.

The Commission approved the following subdivision plans:

Babineau Estates
Squid Brook II

Plans not requiring approval under the subdivision control law with a Form A application were acted upon during regular meetings. The commission has approved updating of the Official Town Map. We put together a zoning package and presented it to the Selectman's Office.

We are currently working on fine tuning the zoning proposal and will hold hearings on it, later on this year.

Subdivision rules and regulations were updated and recorded at the Registry of Deeds in New Bedford, and Land Court in Boston. Which makes them legally enforceable. Copies of which are available for sale at the Town Clerks Office.

The Commission welcomed Alfred Fernandes and Richard Forand, whom were elected to the Commission.

The Planning Commission is always willing to assist individuals in understanding the land rules and regulations. The members are available every first Monday evening of the month. Please call the secretary for an appointment.

Respectfully submitted,

Richard A. Ellis, Chairman
Dick Ellis
Marc Cenerizio
Al Fernandes
Richard Forand

REPORT OF THE CONSERVATION COMMISSION

Purpose of Conservation Commission

The Acushnet Conservation Commission is a seven member board established to administer the Massachusetts Wetlands Protection Act (MGL Chapter 131 Section 40). Wetlands and floodplains are protected because they are extremely valuable to the following interests: public and private water supply, groundwater supply, flood control, storm damage prevention, pollution prevention, protection of fisheries and shellfish, and wildlife habitat.

The Conservation Commission meets the second and fourth Wednesday of every month at 7:00 P.M. in the Council on Aging Quarters of the Parting Ways Building. The Commission has regular office hours in the Town Hall on Monday evenings from 6:00 to 8:00 P.M., and Thursday afternoons from 1:00 to 4:30. Regular site inspections are conducted by the Commission on Sunday mornings as necessary.

1994 Filings Under MGL Chapter 131 Section 40

The Town of Acushnet has experienced a tremendous amount of growth in the past year. The Commission reviewed and issued double the number of permits in 1994 compared to the previous year. The following is a summary of the number of formal actions by the Conservation Commission in 1994:

Notice of Intent Applications	29
Request for a Determinations	59
Extension Permits	1
Amended Orders	2

Commission Membership

The Conservation Commission welcomed two new members in 1994, Paul Picard and Manuel Fernandes. Three members of the board attended the MACC Annual Conference at Holy Cross in order to keep up their training in the area of wetlands protection.

Acushnet Conservation Members as of January 1, 1995:

Alfred Fernandes, Chairman	Paul Picard, Vice Chairman
Walton Braley	Ted Cioper
Cynthia Haskell	Manuel Fernandes

1994 Accomplishments

The Conservation Commission hired a part-time Conservation Agent (Laurell J. Farinon) to provide technical advice and assist the community with filings. The Agent is available on Monday evenings and Thursday afternoons in the Town Hall. The Commission is presently working with the communities

of Rochester and New Bedford in the formation of a Regional Conservation District.

The Commission initiated work on a Conservation Restriction Program for conservation land acquisitions. This program involves coordination amongst the Board of Assessors, Board of Selectmen and Conservation Commission.

Respectfully submitted,

Conservation Commission

REPORT OF THE SOIL CONSERVATION BOARD

The purpose of the Soil Conservation Board is to inspect gravel pits to assure compliance with the Acushnet Soil Conservation By-Law. Our priorities include safety, neighboring property lines, loam replacement, etc.

The Board consists of five members. Current members include Ray Barlow, Highway Dept.; Alfred Fernandes, Jr., Planning Board; Paul Picard, Conservation Commission; Bob Medeiros, Board of Health and Walt Braley, representing the Board of Selectmen.

In 1994 the Board conducted five inspections of existing pits, five existing permits were renewed, no new permits were issued. The Soil Conservation Board spent no town funds in 1994.

Respectfully submitted,

Walton Braley, Chairman
Soil Conservation Board

REPORT OF THE COUNCIL ON AGING

To the Officers and Residents of Acushnet:

The Acushnet Council on Aging meets on the second and fourth Tuesday of each month at 9:30 A.M., in the office at the Drop-In Center in the Parting Ways Building.

The Center is open to ALL Senior Citizens of the Town from 9:00 - 1:00P.M. Monday thru Friday. We invite all Seniors to come in and join us for socialization, and have a cup of coffee or tea. We always have a table puzzle partially made, and the television is available. On Monday and Wednesday, after lunch, we play Beano. Tuesday is Scrabble Day from 1:00-4:00 P.M. Thursday is Line Dancing Day from 1:00-3:00 P.M. at the American Legion Hall. Art Classes are held on Friday at 1:00 P.M. The SHARE Program is distributed from the Center. Thru the summer months, we sponsored Entertainment on Sunday Afternoon at the Gazebo and hope to expand this coming year. One of our Seniors plays the piano daily for community singing. Again this year, we held our Free (To Seniors) Income Tax Counseling from February to April 15th. Surplus Foods are distributed in conjunction with PACE, to ALL residents of the Town, so we not only serve our Seniors, but spread ourselves, and our volunteers, to help our fellow townspeople.

The Elderly Nutrition Program serves a daily lunch at the Center, which provides at least 1/3 of our daily nutrition needs. We deliver Meals on Wheels to our shut-ins daily.

The Council, again this year, applied for, and received, our yearly Grant from the Department of Elder Affairs, through Coastline Elderly Services. This Grant helps to maintain our bus, which transports those Seniors who have no means of transportation to the Center for lunch daily, and to go grocery shopping on Wednesday and Thursday.

The Board of Health conducts a monthly Health Clinic on the fourth Tuesday of each month, plus a yearly Flu Clinic. We distribute 500 copies of our monthly newsletter.

Last, but certainly not least, we welcomed a new Director this year. Mr. William P. Contois accepted the Directorship in April, and we are delighted to have him aboard.

As we do every year, we thank our faithful volunteers. These people donate many hours to serve our Seniors. We couldn't function without them!

Respectfully submitted,

William P. Contois, Director

REPORT OF THE DOG OFFICER

To the Officers and Residents of the Town of Acushnet:

Total number of dogs	1,441
Total number of dog owners	1,060
Number of dogs licensed	430
Number of dogs unlicensed	1,011
Number of kennel licenses	12
Number of dogs caught	74
Number of cats	11
Number of dogs claimed	34
Number of cats claimed	0
Number of animals destroyed	25
Number of animals adopted	26
Number of dead animals	165
Number of hearings heard by Selectmen	1
Number of dogs restrained by Selectmen	1
Number of court hearings	0
Total mileage	6,739
Number of citations issued	6

Respectfully submitted,

Alfred O. Brouillette
Dog Officer

REPORT OF THE ANIMAL INSPECTOR

To the Officers and Residents of the Town of Acushnet:

Number of dogs quarantined	24
Number of cattle inspected (Cattle including dairy cows, heifers, calves, bulls)	147
Number of horses inspected	54
Number of swines inspected	8
Number of ponies inspected	5
Number of goats inspected	56
Number of sheep inspected	17
Number of donkeys and mules	2

Respectfully submitted,

Antonio B. Camara
Animal Inspector

REPORT OF THE EMERGENCY MANAGEMENT CD

To the Officers and Residents of Acushnet:

In June of 1993, the Town of Acushnet Civil Defense was re-opened as the Acushnet Emergency Management Agency (CD) with a membership of 5 persons. Since then, our group has grown to 15 members.

We are a group of volunteers who are trained to support the work of existing town departments such as Police, Fire, EMS, and Public Works, as well as working with the Massachusetts Emergency Management Agency (MEMA) and Federal Emergency Management Agency (FEMA). We respond to personal crises such as flooded basements, as well as town wide natural disasters such as Hurricanes and Winter storms. We provide lighting to town events, and traffic control for Parades and motor vehicle accidents. Since our inception we have provided the town with countless hours of community service.

On the re-opening of E.M.A. all of our equipment was in dire need of repair, most of our equipment is now operational. Thanks to the Town of Dartmouth and Dartmouth E.M.A. for their donation of a 4X4 pickup truck we were able to replace a vintage 1953 truck that needed much repair.

Since almost all of our repairs and improvements are completed by our volunteers, each tax dollar spent provides the best possible return. It's thanks to you the Residents, Selectmen, Finance Committee, and our own hard work, we were able to restore our communications center and provide the town with two additional vehicles complete with emergency generators.

In 1993-1994 we assisted in a variety of events such as: Strawberries in the Park, July 4th Celebration, Apple Peach Parade, Halloween Parade, Christmas Sing-Along and Fathers Day Road Race in Fairhaven. In addition, we are always ready to lend assistance where needed.

Anyone interested in becoming a member of the Acushnet Emergency Management Agency (CD) should contact our office at (508) 998-0295 on Saturday evenings after 7:00 p.m., or call and leave a message on the answering machine.

It has been our pleasure to serve the Town and we thank you for your continuing support.

Respectfully submitted,

Gerard A. Bergeron
E.M.A. Director

REPORT OF THE EMERGENCY MEDICAL SERVICE

To the Officers and Residents of the Town of Acushnet:

I hereby submit my annual report for the year ending December 31, 1994.

Nationwide, EMS is in a changing mode. There are more and more mandates being placed on us with little time to conform and no consideration of fixed budgets. Due to bloodborne pathogens and hazardous materials many more supplies had to be purchased in order to pass State inspection. Currently the recommendation is to utilize disposable pieces of equipment wherever possible. Disposables are very costly.

Both ambulances passed State inspection with minor infractions noted on our older vehicle. The back-up ambulance has two fenders damaged along with and a rear bumper for which we were cited. Tight quarters are not helping the dent and ding cause. All parts have been ordered to correct the deficiencies.

We were informed as of April 16, 1994, St. Luke's Hospital would no longer charge for it's Paramedic Services. This is a community service provided to the user by the hospital.

We continue our commitment to teaching as many citizens, as possible, Cardio-Pulmonary Resuscitation (CPR). We encourage anyone interested in learning CPR to contact us at our office. Our business number is 998-0235. We also started instruction at the Elementary School level on what to do and how to react in the event MED-FLIGHT lands at the school. The area behind the school is a designated landing zone. We hope to be able to offer to the Junior High levels, in 1994, the same education should they be present at an emergency medical air evacuation.

Thanks to the hard work of the Friends of The Ambulance Service Fund Committee and many generous donations along with \$35,000.00 free cash from the Town, we were able to purchase a 1994 Ford Econoline Ambulance.

There has been much sickness and injury in EMS this year. Per-diem EMTs have proven to be very valuable to the system. We are able to provide 24 hour office coverage. This allows the ambulance to respond to a call quicker thereby, in some cases, gaining precious minutes.

The Infection Control Officer has been working very hard to get mandated paperwork in place. A Safety and Health Committee has been appointed to assist with health and safety issues in our department. Due to an increased workload, a restructuring within the EMS department has occurred. One more supervisor has been added. All three supervisors have been delegated more tasks to assist in the continuation of the high quality service the Town is accustomed to and to help gear up to moving into Advanced Life Support in the near future. Our key changes, in keeping with the State's plan of EMS 2000, should occur by the year 2005.

We currently staff 17 members. All are State EMT-D certified. Seven are nationally certified EMTs. There are 10 CPR instructors, 2 of which are CPR Instructor-Trainers, 2 are State EMT Examiners, 1 of which is a Chief Examiner.

We have moved closer to having a manned C-MED system. We, in conjunction with area Emergency Medical Services, currently need to find a site for this system.

With all the mandates facing EMS, we are currently studying the possibility of getting our own building. There are many safety and health situations that must be addressed. This facility is being planned to accommodate growth. We do not want to be faced with having to think about this again in 10 years. Thank you for allowing us to serve you in 1994. The years' statistics are as follows:

EMS STATISTICS:	1992	1993	1994
Sex Assault/Rape	1	2	0
Medical Emergency	239	292	269
Trauma	63	91	81

REPORT OF THE FIRE DEPARTMENT

To the Officers and Residentn of the Town of Acushnet:

As Fire Chief of the Acushnet Fire Department, I hereby submit the following report for the year ending December 31, 1994:

The Fire Department responded to 227 calls during 1994. They are classified as follows:

Buildings	18	Smoke or Odor Removal	6
Fires Outside of structure	3	Animal Rescue	2
Vehicle Fires	5	Assist other Town Department	8
Tree/Brush/Grass	20	Unauthorized Burning	17
Refuse Fire	9	Permit Fire Investigations	6
Pipe Bomb Detonated by SP	1	Service Calls Unclassified	7
Oil Burner Malfunction	2	Smoke Scares	20
Extrication's (jaws of life)	1	Mistaken For Smoke	3
Motor Vehicle Accidents	32	Good Intent Calls Unclassified	2
Rescue Calls (Boat)	1	Malicious Calls	1
Power Lines Down	4	Bomb Scare no bomb	4
Spill or Leak No Fire	7	System Malfunction	19
Arcing, Electrical Short	7	Unintentional Calls	4
CO Detector Sounding	2	False Calls Unclassified	1
Lock-Out	1	Other Miscellaneous Calls	6
Water Evacuation	8	Open Burn Permits	882

Permits for the following were issued during the year:

Smoke Detector	148	Plan Reviews	50
Oil Burner	56	Tank Truck	3
Oil Storage	52	Blasting Permits	5
Propane Storage	46	Black Powder	2
UST Removal	15	Fire Reports	20

During 1994 an estimated \$423,000. in damage was done by fire. This figure is for both structure and vehicle fires.

Once again a comprehensive fire prevention program was conducted in all the schools in Town. This program was primarily funded by the Acushnet Firefighters Association. Open House was held on October 10, and was well received by the more than 100 attendees. As has become an annual tradition, the Lighting of the Christmas display and sing-a-long was conducted. This is accomplished by your continued support of the various fund raisers conducted by the Acushnet Firefighters Association, who donate the funds and numerous hours needed to erect the display. Through the generosity of the area businesses, refreshments are served after this event.

As in the past, The Acushnet Fire Department, and I as Chief, will continue to provide the best possible service and dedication as is humanly and financially possible.

On behalf of the members of the Acushnet Fire Department, and myself, I wish to thank the residents for their continued support throughout the year.

Respectfully submitted,

Paul R. Cote
Fire Chief

REPORT OF THE GAS INSPECTOR

To the Officers and Residents of the Town of Acushnet:

The Plumbing Department issued 92 permits for the year ending June 1994, and collected \$3,091.00 in permit fees.

Gas Permits – Fiscal 1993-1994

DATE	PERMITS	FEE COLLECTED
July	10	\$293.00
August	8	280.00
September	4	117.00
October	12	492.00
November	7	215.00
December	7	271.00
January	7	211.00
February	7	237.00
March	8	258.00
April	9	253.00
May	7	231.00
June	6	233.00
Total	92	\$3,091.00

Respectfully submitted,

Raymond LaFrance
Gas/Plumbing Inspector

REPORT OF THE HIGHWAY DEPARTMENT

To the Officers and Residents of the Town of Acushnet:

The following roads were oiled this year: John Street — Dalton Street — Martel Street — Belanger Street — Parris Lane — Harrison Street — William Street — Maple Street — South Orchard Street — Union Street — Harding Street — Conduit Street — Pageotte Street — Victor Street — Charles Street — Woodland Street — 220,000 Line Ft. of Center Lines were painted on all Main roads. 12 Cross Walks and 4 School emblems were painted. 727 Catch Basins were cleaned with a hired basin cleaner.

The six members of the Highway Department snowplowed our Town Roads and kept the storm drains open last winter.

Worked with a hired broom and our equipment to clean winter sand off our roads and sidewalks in the Spring.

Cut brush and grass on sides of road, concentrating on blind corners.

Kept the grass cut, trash barrels empty and grounds clean at the Town Beach.

Did general asphalt repairs, raised structures and prepared our roads for resurfacing and oiling, and all the other odd jobs and projects the Department is called on to do.

Respectfully submitted,

Raymond F. Barlow
Highway Foreman

REPORT OF THE HISTORICAL COMMISSION

The past year (1994) was another fruitful year for the Historical Commission. The historical heritage project continued, with elementary school visits to the Long Plain Museum and "History on Wheels", our bus tours of the town's historical sites. The "Music at the Meetinghouse" summer free concert series continued for a seventh season and the Long Plain Museum and the Quaker Museum at the Meetinghouse were both open for Saturday and Sunday afternoons throughout the summer.

An important effort of the Commission was a complete inventory of the ancient Long Plain Cemetery (west side), which dates from before 1700. Undertaken by two members of the Commission, Steve Gilmore and Marvin Allison (a new member who replaced Donna Manna, who moved to New Bedford), the project included listing, describing, locating and recording the epitaphs of all the stones in the cemetery, straightening tilted stones, reerecting fallen stones and repairing broken stones where feasible. Bound copies of the inventory will be provided to the Cemetery Board, the Russell Memorial Library, the Genealogical Room of the New Bedford Free Public Library, the Old Dartmouth Historical Society and the Massachusetts Historical Commission. A truly "monumental" job.

Another successful effort of the Commission was passage of the "Demolition Delay By-Law" at the annual Town Meeting. It is hoped that this new by-law, with a minimum of bureaucratic procedure, will, in the future, prevent tragedies such as the 1957 loss of the Summerton House, the oldest house in Acushnet.

Two historical houses from the 18th century were researched and provided with historical plaques, one on Mill Road and another on Morse's Lane. An effort will be made to update the historical inventory of the village area, with the aim of possibly getting three town buildings on the National Register, the Parting Ways building, the Town Hall and the Library. Also, the ruin of one of the oldest mill buildings in the region, White's Factory on Hamlin Street, has been nominated to Historic Massachusetts, Inc.'s "Most Endangered Resources List".

The Historical Society undertook repairs to the Long Plain Museum building, including new gutters, and the installation of a new alarm system. The Commission, using funds from the Meetinghouse Restoration Trust Fund, contracted to have the Meetinghouse exterior painted and the roof shingles treated. As in the past, maintenance and repair of both buildings is being done with no cost to the taxpayers.

A most fitting Christmas present for the Commission was receipt in late December of the balance of the Gertrude W. Braley bequest to the Meetinghouse Restoration Trust Fund, bringing the total bequest to almost \$132,000.

As of this report, the Meetinghouse Certificate of Occupancy has still not been issued, although, after over three years of effort, we seem to be getting closer to the goal, so that this magnificent building may finally, in 1995 be of some use other than as a Museum.

Respectfully submitted,

Irwin Marks, Chairman
Roberta Leonard, Secretary
Marvin H. Allison, Jr.

J. Norman Richard

REPORT OF THE SEALER OF WEIGHTS AND MEASURES

For the Officials and Residents of the Town of Acushnet:

The following report is submitted for the year 1994.

All scales and gasoline pumps used in the Town were checked and sealed. In addition, two persons were warned to stop using illegal scales.

Fees turned in to the Town Treasurer amounted to \$669.00.

Respectfully submitted,

Marianne E. Marshall
Sealer of Weights & Measures

REPORT OF THE HOUSING AUTHORITY

To the Officers and Residents of the Town of Acushnet:

April of 1995 will mark our 21st year here at Presidential Terrace.

We the members of the Board of Commissioners and Executive Director of the Acushnet Housing Authority, are proud to have been a part in our offering to Acushnet's elderly and disabled citizens. We feel that we have one of the finest housing authorities in the Commonwealth of Massachusetts.

Our monthly board meetings are held on the second Thursday of each month throughout the year in the Community Hall at Presidential Terrace at 6:30 p.m. The office is open Monday thru Friday from 8:30 a.m. to 12:30 p.m.

Eligible/qualified residents of State-Aided housing pay no more than 30% of their adjusted monthly income for rent. In order to qualify for State-Aided public housing administered by the Acushnet Housing Authority, your income requirements must fall under the following guidelines:

No. of Occupants	Maximum Net Income
One (1)	\$17,612
Two (2)	\$20,128

Our 689 Project located on Garfield Street will celebrate it's third year anniversary in April of 1995. This project has been operating very successfully. The Advisory Board Committee Meetings for Garfield Street are held quarterly throughout the year.

Once again, from it's occupancy over two decades ago to it's present day, all of us here at the Acushnet Housing Authority would like to express their gratitude to everyone, who in any way, has been and continues to be an asset in making Presidential Terrace the outstanding Elderly/Disabled complex that it is today.

Respectfully submitted,

James Vieira, Chairman
Mary Ouellette, Vice Chairperson
David White, Treasurer
Nancy Brightman, Asst. Treasurer
Roland Pepin, Secretary
Sandra Keighley, Executive Director
Jean Downs, Asst. Administrator

REPORT OF THE POLICE DEPARTMENT

To the officials and residents of the Town of Acushnet I hereby submit my report for the year ending December 31, 1994.

All police officers attended First Aid and CPR courses as required by law to retain their First Responder status.

Officer Thomas L. Carreau was appointed full-time by the Board of Selectmen on August 8, 1994 and graduated from Plymouth Police Training Academy on December 1, 1994.

In November the town hired 5 new part-time police officers contingent upon them passing physical and psychological examinations and also upon their graduating from Plymouth's Reserve Academy class. The officers have already passed the physical and psychological exams and are scheduled to graduate from the academy on March 13, 1995. Thereafter they will be receiving additional training such as firearm qualification, first responder certification and dispatching. The officers will then be sworn in and ready to perform assigned police duties for the town. It should be noted that these young men and women are not on the payroll until after they graduate from the academy.

In December the Police Department mailed out flyers to all residences inviting them to attend the Acushnet Police Citizens Academy. Of course it is not a regular police academy but rather it is an opportunity for town residents to gather information on a variety of subjects. They will be taught about crime prevention and community policing, they will be trained in self defense by our instructor Officer Paul Melo, they will learn about court procedures, rules of evidence and a wide variety of other subjects of their own choosing and naturally they will be given the chance to ask questions that are important to them. Flyers containing the applications have been placed in businesses throughout the town for those who may have been missed. All town residents are welcome to join us.

Detective Charles Pelletier has continued teaching the DARE program to our elementary school children. Detective Pelletier and a group of civic minded citizens have been working very hard to convert the old Marie S. Howard School into a thriving community center. The good news is that the Acushnet Community Center is scheduled to open its doors in April of 1995.

Officer Joseph Pontes, our Elderly Abuse Officer, has been working with neighboring agencies to provide valuable information to our elderly citizens. Officer Paul Melo has continued his duties as the department's Safety Officer and Crime Prevention Officer.

The Town was able to purchase 9mm weapons with money obtained through drug forfeitures. For the first time ever the Police Department was able to issue police officers their weapons thereby assuring control and uniformity. Our firearms instructor, Officer James Costa, trained all officers in the usage of

the new weapons and all officers have fired qualifying rounds.

The Town purchased a new 1994 Ford cruiser. The Town also purchased 2 new unmarked vehicles in 1994, with a combination of town money and drug forfeiture money, thereby assuring proper transportation for years to come.

Police personnel have become familiar with the "Records Management" module of our in-house computer system and that operation continues to go on smoothly and efficiently.

Officer Paul J. Melo received recognition for his work to rid the streets of drunken drivers and was named Acushnet's Officer of the Year by MADD.

In December the Police Department applied for a grant under the Federal Crime Bill, that you heard President Clinton talk about, to hire 3 new full-time police officers. We feel that the 3 officers are needed to maintain the current level of performance. The department has not had any real additions for over 20 years. As a matter of fact we are down 1 detective and 1 six p.m. to 2 a.m. officer from what we had when I joined the department in 1972. The people should not be deceived into thinking that the department is growing when they see the hiring of new full-time officers whereas they are only replacing those members lost through attrition in previous years. Similarly when you see the hiring of part-time officers such as this year please remember we are only replacing those individuals who have either left us or been promoted. As one of our full-time officers leaves due to retirement or for other reasons he is replaced by a part-time officer who is eventually promoted to full-time. Because we are a Civil Service Community and because of budgetary constraints this can sometimes be a very lengthy transition. Besides those promoted other part-time officers leave the job to pursue new careers and that is why every 2 or 3 years we replenish the pool by hiring new part-timers.

Following is a list of activities and the current staff of the department.

OTHER ACTIVITIES

	1993	1994
Complaints Answered	5,725	5,682

June	12	953.00
Total	91	\$6,099.00

Respectfully submitted,

Raymond LaFrance
Plumbing/Gas Inspector

REPORT OF THE REGIONAL SANITARIAN

I respectfully submit a sanitarian report to the Town of Acushnet. The Acushnet Marion, Rochester Regional Health District was formed in 1989 to assist the towns in public health matters. My duties within each town includes the witnessing of percolation tests, reviewing of proposed septic systems, inspecting of restaurants and retail food stores, investigating possible health hazards complaints, and reviewing as built plans of new installed septic systems to ensure that they are in compliance with Title V requirements.

This year, the health district focused on strengthening food service inspections by the hiring of Janice Young to conduct these inspections. Ms. Young inspected restaurants and other retail food markets three times during the year.

The district also accomplished the establishment of curbside recycling in Rochester and Acushnet. The Town of Marion presently has the Department of Public Works recycle pick-up twice a month. Rochester and Acushnet followed suit this year with their respective recycle pick-ups. Rochester was divided into four sections that were picked up once a month, whereas Acushnet was expanding their pilot project.

Recycling container bins were obtained through the Department of Environmental Protection Grant Program. The health district has also applied to this grant program for the coming year to expand the services provided.

The health district applied for a grant through the Department of Public Health for tobacco control moneys. Kathleen McCullough assumed her duties in April. In conjunction, the Marion Board of Health promulgated regulations banning tobacco smoking in public buildings and certain restaurants. Acushnet and Rochester are pursuing the enactment of similar regulations. Judith Coykendall became the new tobacco control program director after Ms. McCullough's departure. She shows much enthusiasm, determination, and has networked with area towns and state agencies.

In Spring 1995 we will be faced with the revised Title V requirements for septic system. This includes the requirement that systems shall be inspected at or within nine months prior to the time of title transfer or, depending on weather conditions, six months after the actual sale. Provisions of the code also provide for use of innovative alternative septic systems. New setback requirements are also enacted from wetlands and tributaries.

The Boards of Health are also grant recipients of three computers from the Buzzards Bay Project. The computers are to be used to track septic system pump-outs in the towns to determine which systems may have potential problems. This septic system tracking has not been done up to this point.

Rabies should be spreading into our area this year. People are encouraged to vaccinate all pets. To assist pet owners, the health district and area veterin-

arians have had numerous Rabies Clinics. On behalf of the health district I would like to thank Dr. Robert Tremblay, Dr. Christine Gaumont, and Dr. John Sickles for their assistance.

Respectfully submitted,

Karen A. Walega
Regional Sanitarian

REPORT OF THE RUSSELL MEMORIAL LIBRARY

Our staff consists of 5 employees dedicated to providing the best possible service to the citizens of Acushnet: Valdene Kane, Director (3 years); Claudette Olivier, Assistant Director (16 years); Cecelia Tavares, Library Technician (16 years); Connie Preston, Library Technician (4 years); and Helen Guenette, Library Custodian (27 years!).

We have finished one session of our pre-school story-hour and are planning another for the spring. Response has been most gratifying. Children ages 3, 4, and 5 years old are invited to our storyhour which consist of stories, appropriate songs and fingerplays, and a story-related craft project.

Our small, but mighty, Friends of the Russell Memorial Library is led by capable volunteers, Connie Preston and Cynthia Marks. Our annual booksale was held in September. The profits go towards building a video collection and children's programming. Our many thanks go to Connie and Cynthia and their helpers: Donna Laliberty, Jennifer Ferguson, Irwin Marks, Henry Preston, and Lauren Kane. Another able and willing library volunteer is Amy Hood.

Our staff visited all classes at the Acushnet Elementary School, Ford Middle School, and St. Francis Xavier School. The children were given a talk about the library, discussed new technological advances in information science, and read a story in the younger grades.

Our second summer program was fantastically successful. We had visits from Mordecai Gerstein, a famous author and illustrator of children's books; Medicine Story, an elder and storyteller from the local Wampanoag tribe; and Yo-Yo Champion, Larry Sayco. The children tie-dyed shirts (and themselves), made woven gods' eyes, and created sand sculptures. We all enjoyed the sundaes donated by The Country's Best Yogurt. All children who visited the library at least five times over the summer received a library certificate and a gift certificate for a free meal donated by our local McDonald's Restaurant.

The following people, businesses and organizations were generous contributors to our summer program: Acushnet Cultural Council, Acushnet Police Association, Acushnet Firemen's Association, Roger and Patricia Deschamps (Cushena Enterprises), Acushnet Fairhaven Towing, Almac's, Ralph Macomber (Macomber Saw Mill), Knox Electric, Sullo Construction, Applied Technology Associates, McDonald's, TCBY, Murray's Auto Sales, Acushnet Lions' Club, Titlest and Footjoy of The Acushnet Co., Tilcon, Shaw's, and A&P.

In addition to our Cultural Council Grant, the Russell Memorial Library has received a \$6000 Homework Grant funded by the Library Services and Construction Act and administered by the Massachusetts Board of Library Commisnioners. With this grant, we were able to purchase CD/ROM workstation complete with a printer, purchase software for this station, and update our reference collection. We have also established a Homework Center with volunteer coaches helping our students. Volunteers so far are: Walter Dalton,

Jr., Kristie Forgues, Irwin Marks, Jodi Pacheco, Christopher Pearson, Michele Sariva, Alice Soares, Ann-Marie Touro, and Arline Wingert.

Our meeting room is open to any town group which needs a place to meet. Several groups made use of our facilities during the year. The Brownies meet on Tuesday nights. The Girl Scouts meet on Wednesday afternoons, while the Daisy Scouts meet Thursday nights. The Bristol County Woodcarvers also met. In observation of Massachusetts Art Week, the annual Acushnet Art exhibit was held in May.

Once again, the Trustees and staff thank the good people of Acushnet who donated books and periodicals to the library's collection during these difficult times. A special thanks goes to a very special patron, Mr. Wilfred Fortin. He is most generous to us. A prodigious reader, he donates many periodicals and books.

We thank NBIS for providing us with bookmarks for our patrons. Thanks also to the Acushnet Federal Credit Union for our new cardcovers.

The library has a fax machine which is available to our patrons for a small fee. We also have a copy machine in the main room for patrons' convenience.

With the efforts of the director, staff, and trustees along with their determination that the town maintain at least minimum standards for a town of our size, Acushnet was awarded state grants totaling \$10,776.74 from the Massachusetts Board of Library Commissioners. The money allowed for capital expenditures is used to maintain our membership in our automated network, SEAL (Southeastern Automated Libraries, Inc.).

The trustees continue to support SEAL. The library has been on-line for approximately five years. Because of our network membership, the library can offer our patrons access to other libraries' collections which encompass more than 500,000 unique titles. SEAL has enabled the town library to provide services to our residents which towns who chose not to automate and join a network cannot do. Through SEAL, our library obtains professional cataloging for all of its material and participates in interlibrary and intralibrary loan networks. Many area high school students can dial into the SEAL database through computers in their school libraries and reserve necessary materials which can be picked up at their closest SEAL library. In the near future are patron access to the Internet and other databases. Sponsored by the Eastern Massachusetts Regional Library System, SEAL's van delivery system provides our patrons with materials usually within a library day or two of the original request.

The trustees wish to thank the town for its continued support.

REPORT TO THE TOWN OF ACUSHNET FROM THE COMMISSIONERS OF THE SOUTHEASTERN REGIONAL PLANNING AND ECONOMIC DEVELOPMENT DISTRICT

The Southeastern Regional Planning and Economic Development District continued to serve the Town of Acushnet during 1994. SRPEDD (pronounced sir-ped) is a locally run regional agency serving southeastern Massachusetts.

During the past year, the Town of Acushnet was represented on the SRPEDD Commission by Jacqueline Brightman and Marc Cenerizio. The Joint Transportation Planning Group representatives were Richard Provencal and Raymond Barlow.

Some of SRPEDD's more significant accomplishments in 1994 were:

- * Completion and certification of the annual Transportation Improvement Program (TIP) and Overall Economic Development Program (OEDP) which set regional priorities and made cities and towns eligible for federal and state grants for transportation and economic development projects. The TIP sets priorities for \$315 million in federal and state dollars for regional transportation projects over the next 3 years.
- * SRPEDD developed the "Massasoit Compact", a collaborative economic strategy for the region. Over 50 organizations and individuals have signed the compact, pledging to do their share to revitalize the region's economy.
- * SRPEDD reviewed the environmental impact of larger development projects in the region to insure that potential harmful impacts will be addressed. This year, we reviewed 55 such projects, commenting on the impact on traffic, water supply, sewage disposal, wetlands, and other development-related issues. Nineteen (19) applications for federal and state funds were reviewed to insure consistency with other plans and efficient use of public funds.
- * SRPEDD conducts a district-wide traffic counting program and maintains a computer file of all available traffic count data throughout the region. SRPEDD continues to provide computerized accident filing for 9 towns and has provided pavement management assistance to 13 towns.
- * SRPEDD worked with both GATRA and SRTA on issues such as route evaluations, marketing, service to elderly and handicapped persons and overall data compilation and analysis.
- * Assistance to the South Eastern Economic Development (SEED) Corporation, which makes loans to small businesses for expansion. In 1994 SEED approved loans to 80 small businesses in the amount of \$7.2 million. These loans are projected to create 484 new jobs.

- * SRPEDD continued to operate the Southeastern Massachusetts Data Center, providing information to businesses, cities and towns, and individuals.
- * SRPEDD provided assistance to businesses on toxic materials use reduction. Staff worked with the Southeast Industrial Advisory Committee to hold meetings and workshops for businesses located throughout southeastern Massachusetts.
- * SRPEDD organized and co-sponsored the fifth annual Earth Lab Environmental Conference. The conference was held at Bridgewater State College for science teachers throughout the region.
- * With the traditional fishing industry in crisis, SRPEDD embarked on a program to develop aquaculture businesses in the region. Coastal and inland aquaculture have tremendous potential in southeastern Massachusetts.
- * SRPEDD conducted training and workshops for local officials on economic development, downtown revitalization, planning laws and community action statements.

In addition, municipal assistance was provided to Acushnet in the following areas:

- * Economic Target Area application data (New Bedford)
- * Growth Study Comm. support
- * Open Space Plan assistance

We look forward to serving you in 1995.

REPORT OF THE WATER DEPARTMENT

I am hereby submitting my annual report for the Water Department.

Total	205	\$6,761.00

Respectfully submitted,

James Buckles
Building Commissioner

REPORT OF THE ZONING BOARD OF APPEALS

To the Officials and Residents of the Town of Acushnet:

The Acushnet Zoning Board of Appeals meets monthly. Meetings are always open to all and are held in the Handicap accessible Council on Aging Room.

The following report of the Zoning Board of Appeals is respectfully submitted for the year 1994.

Seventeen applications were submitted to the Town Clerk.

Seven were for residential use; Ten for business or commercial use.

Sixteen requests were granted; One was denied.

Application fees submitted to the Town Treasurer totalled \$2,700.00.

Respectfully submitted,

**Lawrence G. Marshall, Chairman
Carol Westgate, Asst. Chairman
Henry Preston
Barbara Mello
Gerald Toussaint
Gary Lemos, Alternate
Patricia Braley, Alternate**

REPORT OF THE PARK DEPARTMENT

Every baseball season seems to draw more and more families to Pope Park in Acushnet. Families are utilizing the facilities at Pope Park even more with today's youth being involved in sports and recreation.

The Park Department, under the supervision of Park Superintendent, Ray Rivet, has improved the grounds at Pope Park to comply with the Americans with Disabilities Act by installing walkways for better handicap access. Mr. Rivet has also spent numerous hours planting new areas of grass to help control dust during the hot summers. Also, with the help of the Highway Dept., an access road has been put in to aid park employees in operating machinery around the park.

The Acushnet Youth Athletic Association (AYAA) hosted their 29th All-Star Senior Tournament. Their regular baseball season had another successful season as well as the instructional league. The Park Dept. would like to thank all managers, coaches, players and their families for their time spent in the initial clean up of Pope Park.

The Greater New Bedford Pony League and the Acushnet Men's Softball League also use the fields at Pope Park. The Parting Ways Beautification Committee again held Strawberries in the Park. The Jolly Seniors held their craft fair once again. The Acushnet Police and Fire Departments also held their annual charity softball games at Pope Park.

The Summer Recreation Program was again a big success. Another fine year under the direction of Nancy Francis. The Park Commissioners would like to thank her for a job well done.

Once again, the Park Commissioners would like to take this opportunity to thank all individuals who donate their time and services to help keep Pope Park a safe and enjoyable place for families to gather during the summer months.

Respectfully submitted,

Gary Rousseau
Donald J. Guenette
Robert F. Travers, Chairman
Jayne T. Cote, Secretary
